

SCHIST STONE MASONS · CHIMNEYS · FIREPLACES · COLUMNS · CLADDING · ENTRANCEWAYS

www.creativestonz.co.nz

Creative Stonz specialise in suppling and laying South Island Schist, from a letterbox to cladding a whole house, we see all projects as works of art in stone introducing a natural product to enhance your surrounding enviroment.

Consult us for the right type of stone, colours and lay style to suit your dwelling. If you're planning an interior or exterior wall cladding, feature fireplace or chimney, columns or an entranceway, paving or landscape walling, Creative Stonz offer uniqueness, quality and structural integrity.

We work in both the North and South Islands of New Zealand.
Contact us now to discuss your stone project requirements.
